

Tokyo **Test** Fest

14th November 2025

Full day onsite, Osaki Bright Core Hall, Shinagawa, Tokyo.

Call for Partners

Tokyo Test Fest is a premier international Software Quality Assurance & Test conference hosted in Japan. It is crafted to provide a platform where both Japanese and English-speaking people can meet with international keynote speakers, learn, make connections and most importantly have fun!

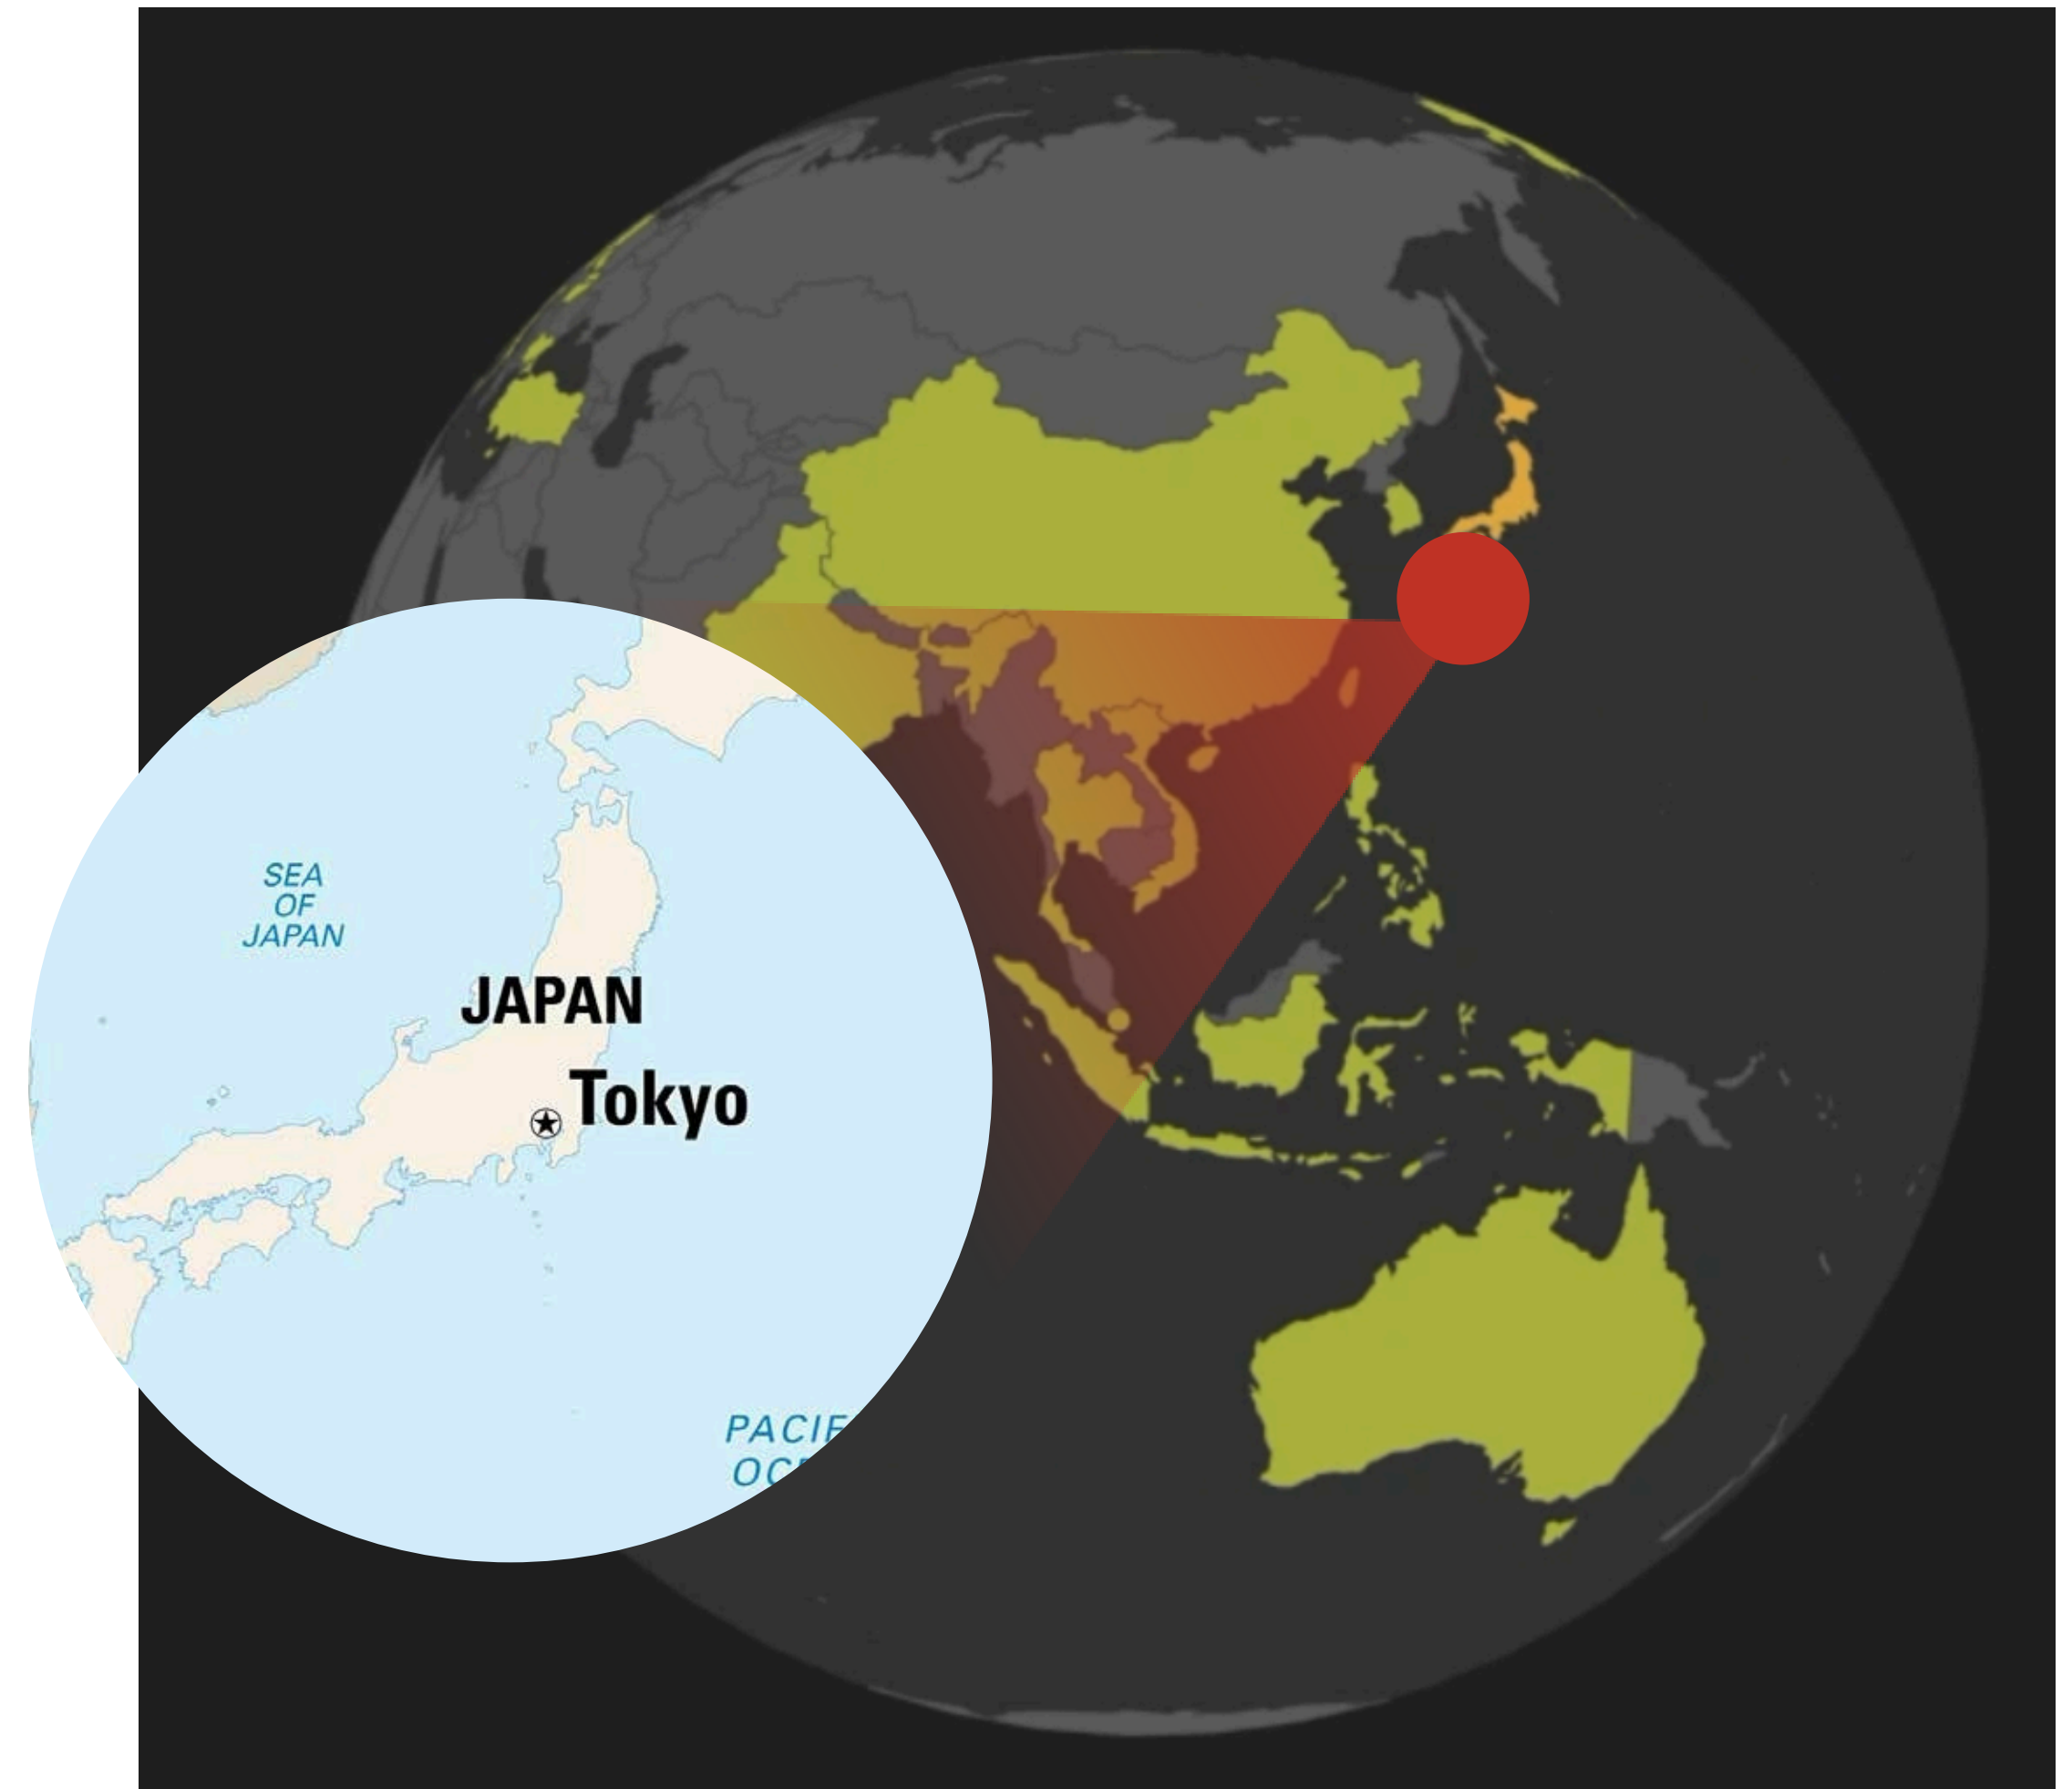

Mission & Expected Numbers

The mission of the conference is to enhance the software landscape in Japan and strengthen its integration with the global tech community by providing a platform for both seasoned experts and budding enthusiasts.

At TTF 2024, we had nearly

200 attendees

from all around the world and we expect **more** in 2025!
